

QUESTION OF THE WEEK, WEEK 21 (24–28.5.2023)

NUMBER OF RESPONDENTS: 433

The margin of error is 5 % and thereby the answers are considered to reflect the opinions of the population in Jakobstad.

SPARE TIME VOLUNTEERS NEEDED

In this week's question the residents were asked if they are interested in being spare time volunteers for recently arrived. The assignment is short, non-recurrent and can involve visiting an association or a spare time activity together. 30 people answered yes straight away and had the possibility to fill in a registration form for spare time volunteers. In addition to these 30, another 34 wanted more information before deciding and they had the opportunity to give their contact details so that the Integration Services can contact them and provide more information.

LOTTERY WINNER

179 persons participated in the lottery and the winner of a roundtrip ticket to Mässkär with the Mässkär-boat has been notified via email. Congratulations to the winner!

NEXT STEP

The Integration Services is thanking everyone who has signed up as a spare time volunteer and those who want to know more before deciding. We will be contacting everyone soon.

Apart from spare time volunteers the Integration Services has a continual need of friend families for newly arrived and is therefore asking those interested to contact the Integration Services.
