ADULTS ON TOWN DURING JAKOBS DAGAR/JAAKON PÄIVÄT

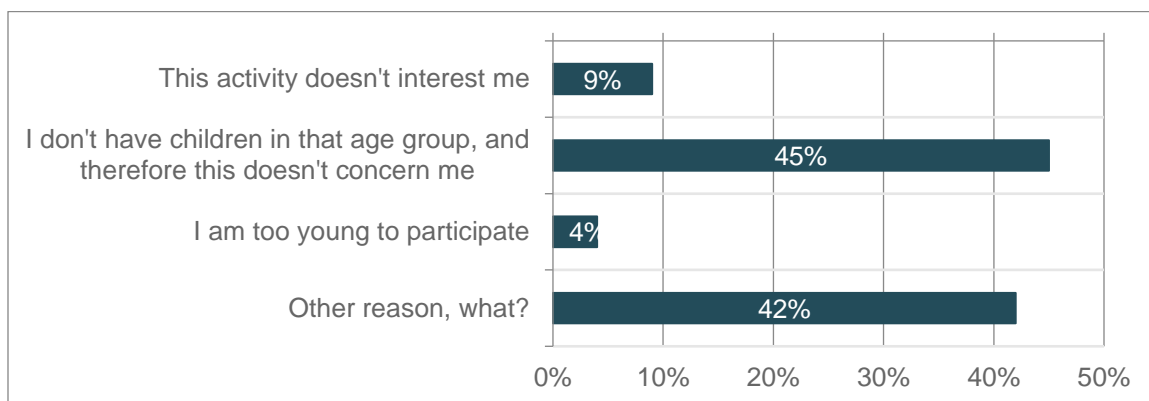

The question of this week was about the Adults on Town group's activities and the residents first got to answer the question whether they are interested in participating in the Adults on Town group's activities:

Only 12 per cent (56 persons) of the respondents were interested. Those interested received the following follow up question: " *Would you like to join the Adults on Town group during Jakobs dagar/Jaakon päivät either on Friday 21.7 or Saturday 22.7?*"

12 per cent of the respondents (7 persons) signed up for Adults on Town during Jakobs dagar/Jaakon päivät. Those who responded no on the first question got on their part the question “*Why not?*”

45 per cent of the respondents chose the alternative “I don’t have children in that age group and therefore this doesn’t concern me”, 9 per cent chose the alternative “This activity doesn’t interest me” and 4 per cent were too young to participate. 42 per cent chose the alternative “Other reason, what?” and the most common reasons were that they are too old or don’t have the health for it. Other common reasons were that they are not in town or are working, that they don’t have time or energy, that they have small children and are needed at home, or that they already work with youth. Some mention that they have taken part of the activity earlier and some mention fear as a reason for not participating.
