

# QUESTION OF THE WEEK, WEEK 37 (13-17.9.2023)

NUMBER OF RESPONDENTS: 532

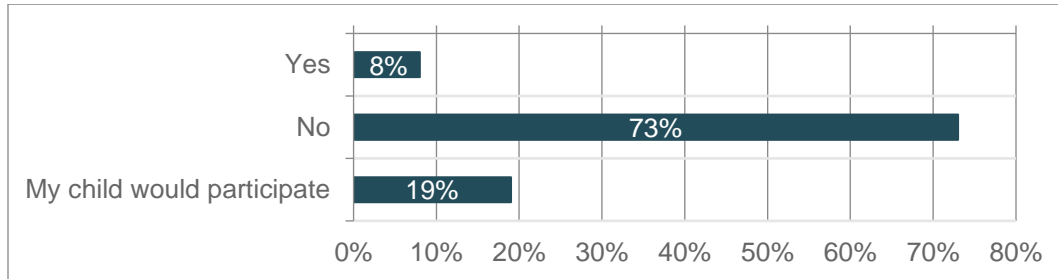

The margin of error is 4 % and thereby the answers are considered to reflect the opinions of the population in Jakobstad.

## ACTIVITIES DURING THE AUTUMN HOLIDAY

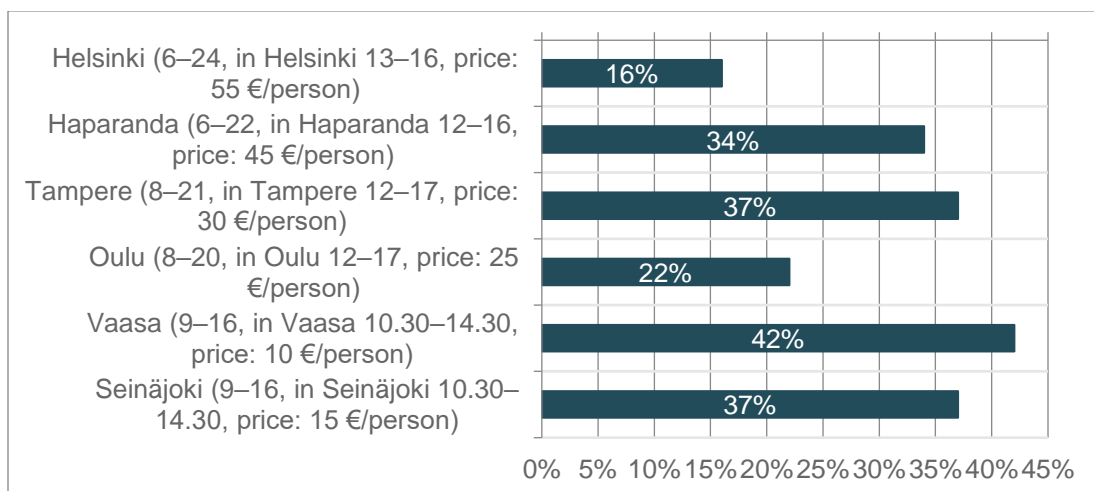

In the Question of the Week the residents were asked: *“Do you wish that activities for young people/children are arranged during the autumn holiday week?”*

*If a one-day trip for young people (13–17-year-olds) is arranged 18 of October, would you participate?*

*Which destination would you prefer? (you can choose several alternatives)*

Lastly, the residents were asked an open question: ***“What activities do you wish would be arranged during the autumn holiday?”***

283 persons answered this optional question and above all they call for physical activities for young people and possibilities to try out different activities.

## NEXT STEP

Concerning the trip for the youth, a decision is being made in the next youth council meeting on 26 September and we will inform more about the trip after that on, among other places, the Instagram account Tupis-Jeppis.

The autumn holiday is being planned in the different sectors of the town and we strive to take the suggestions into account. The first week of October the programme for the autumn holiday will be published on the town’s website and is sent on Wilma to pupils in the basic education.
