THE REFORM OF EMPLOYMENT AND ECONOMIC DEVELOPMENT SERVICES?

In the Question of the Week the residents were asked: *"The public employment and economic development services are transferred to the municipalities 1 January 2025. Just like all other municipalities, the town of Jakobstad is affected by the reform and by 31 October 2023 the municipal councils need to decide on which model to choose. In Jakobstad this will be decided at the town council meeting on 23 October 2023.*

In order to have the responsibility for the employment and economic development services the employment base needs to be at least 20 000 people, therefore Jakobstad cannot be alone and needs to cooperate with other municipalities. There are a few alternatives in Ostrobothnia; Ostrobothnia as one area or divided into several smaller areas.

Which one of the alternatives below should the town council in Jakobstad decide on in your opinion?"
